CHINA WIRELESS ANNOUNCES AN AGREEMENT WITH A BEIJING-BASED INTERNET CONTENT PROVIDER

DENVER, CO January 27, 2004 / PRNewswire – First Call -- China Wireless Communications, Inc. (OTCBB: CWLC) announces that it has signed a distributorship agreement with Beijing XZHX Tech Development Company Limited (XZHX). According to this agreement, XZHX will grant the Company distributorship to provide services including domain name registration, virtual host, enterprise email solutions, and other network-related software.

This distributorship will enrich the product lines of China Wireless by offering a package of services and products to existing and potential customers. With these new service offerings, China Wireless will bring in more revenues with controlled cost.

Mr. Kent Lam, President of China Wireless's Beijing operation commented, "We've signed distributorship agreements with a couple of China's leading network-related products providers. Our goal is to provide our customers with suite of products and services to reduce cost and increase their business capabilities to reach their clients."

About Beijing XZHX Tech Development Company Limited:

(www.happyxp.net)

XZHX is a licensed Internet Content Provider in Beijing. Incorporated in 2001 and restructured in 2003, XZHX is now a significant player in ICP market of Beijing with more than 1,000 large enterprise customers.
