**CHINA WIRELESS CONNECTS PHONE CAFES FOR CHINA SATELLITE COMMUNICATIONS CORPORATION BEIJING BRANCH**

DENVER, CO February 24, 2004/PRNewswire-FirstCall --China Wireless Communications, Inc. (OTCBB: CWLC) announces that it has signed a contract with China Satellite Communication Corporation Beijing Branch. According to this agreement, the Company will provide broadband access service and technical support for phone cafés of China Satellite Communication Corporation Beijing Branch. It is estimated that the Company will connect 40 phone cafes in the first phase of this project, and up to 100 additional locations by the end of this year in Beijing City. The Company recently completed a successful trial installation for this phone café project, which started in October 2003.

Mr. Brad Woods, CEO of China Wireless commented, “We are pleased to have met the rigorous technical support and product requirements for this demanding application and we are excited about making communication more available and affordable for the people of Beijing. This contract shows our ability to provide secure, reliable broadband access service technology to 1st Tier carriers and their customers.”

**About China Satellite Communications Corporation:**
