The Wall Street Reporter has a market of 80,000 investment professionals that include Portfolio Managers, Analysts, Investment Bankers, Venture Capitalists, and other Wall Street Professionals including 3,000 financial editors and reporters at newspapers, magazines, radio and television newsrooms nationwide. The Wall Street Reporter Magazine is an information source for professional investors seeking successful new ideas.

### **About China Wireless Communications, Inc.:** ([www.chinawirelesscommunications.com](http://www.chinawirelesscommunications.com))

China Wireless Communications, Inc. based in Denver, CO develops, installs and markets wireless broadband networks and provides Internet access in Beijing, China. Using the most reliable wireless technology, China Wireless provides the 'last mile' connection between their telecommunications partners and customers. Examples of applications provided are redundant high-speed backbones, Voice over IP, VSAT, and transport connections, which include IP data, video, and ISP services. The Company is publicly quoted on the OTCBB under the symbol "CWLC."

### **Forward Looking Statements**

Statements regarding financial matters in this press release other than historical facts are "forward-looking statements" within the meaning of section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and as that term is defined in the Private Securities Litigation Reform Act of 1995. The company intends that such statements about the Company's future expectations, including future revenues and earnings, and all other forward-looking statements be subject to the safe harbors created thereby. Since these statements (future operational results and sales) involve risks and uncertainties and are subject to change at any time, the Company's actual results may differ materially from the expected results.
