**CHINA WIRELESS ANNOUNCES RESELLER AGREEMENT WITH  
HXDT TECHNOLOGY OF CHINA TO INCREASE WIRELESS  
BROADBAND PENETRATION**

Denver, CO, September 22, 2003/PR Newswire-FirstCall/China Wireless Communications, Inc. (OTC Bulletin Board: CWLC) announces that the Company has signed a reseller agreement with HXDT Technology Development Company of China. This agreement enables China Wireless to market their wireless broadband products and services through HXDT's distribution channel throughout China.

According to Mr. Kent Lam, Vice President of Marketing and the CEO of China Wireless' Beijing operation, "This reseller agreement will complement our sales strategy and provide a direct avenue to increase our sales of wireless broadband products and services."

HXDT Technology Development Company is engaged in the marketing and operation of value-added telecom services in China. It is one of the top resellers for Beijing Telecom Limited Company, a subsidiary of China Telecom Group and has an extensive sales network as well as abundant experience in the telecom sector in China.

**Forward Looking Statements**

Statements regarding financial matters in this press release other than historical facts are "forward-looking statements" within the meaning of section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and as that term is defined in the Private Securities Litigation Reform Act of 1995. The company intends that such statements about the Company's future expectations, including future revenues and earnings, and all other forward-looking statements be subject to the safe harbors created thereby. Since these statements (future operational results and sales) involve risks and uncertainties and are subject to change at any time, the Company's actual results may differ materially from the expected results.
